REMARKS		

data on supply 50X1-HUM

Installations:

1: Supply installations of the Soviet Army in the Soviet Zone of Germany (such as depots for storage of engines and unit replacement parts, repair shops for tanks, guns, weapons of all kinds and for motorized vehicles) 50X1-HUM

2: Other known supply installations in the Soviet Zone of Germany were identified or assumed to belong to the Group of Occupation Forces Germany (GOCFG) or to individual armies. 50X1-HUM

3: Supply installations in the Soviet Zone of Austria and the Satellite Countries were identified or assumed to belong to the Soviet Group of Forces' Headquarters or to the individual armies. 50X1-HUM

Comment:

2 and 3 do not list small organizational or military post supply installations, as they are located or assumed to be located at most Soviet Army posts. 50X1-HUM
